

DR. SMALL REDUCES HIS FILE REVIEW TIME BY 50% USING SIFTMED.

“

I didn't think I'd ever have time to use an online solution because I was already so busy, but SiftMed made it incredibly easy to complete cases. **It not only gave me my weekend back, it helped me provide a more thorough review.**

AT A GLANCE

Dr. Small, an orthopedic spine and trauma surgeon, needed a more efficient approach to thoroughly review medical cases.

Receiving a **continuous stream of cases by mail**, (averaging 1,000-5,000 pages) became unsustainable. **Tracking and reviewing them during weekends or spare time became increasingly challenging.**

SOLUTION

SiftMed offers immediate access to all cases for physician review. We handle all the initial filtering and analysis, **allowing you to focus your time on critical facts.**

THE RESULTS

Ability to Find Quick Facts

SiftMed will remove all duplicates and allow you to filter to critical information in a few clicks.

Complete Cases from Anywhere

SiftMed provides a centralized location for all ongoing and completed cases for quick access anywhere in the US or Canada.

Secure Online Access

No more large manual files to sort through - everything resides in SiftMed's secure cloud.
